

Letter from Aileen Bell to Alexander Graham Bell, September 17, with transcript

Letter from Miss Aileen Bell to Dr. Alexander Graham Bell. Tuesday night, Sept. 17th, Stoneleigh Court. My dear Alec:

Thank you so much for the paper you sent me about the opening of the tower. It was most interesting, but it made me so terribly Baddeck sick, to read of Beinn Bhreagh.

This is the most delightful time there, I think. I suppose Mabel is home by this.

We have had it very very hot these last few days, and Mother has felt the heat, but tonight it promises to be cooler, and then I hope she will begin to mend and get back her strength.

Much love to you and Ma Belle, and kind regards to all Beinn Bhreaghites,

Your affectionate Cousin Aileen.
